This month's *Pints in the Park* is 5:00-8:00 on Thursday, June 20. It is held at Pride's Crossing Park. Turn left/north from the church driveway; travel 1.1 miles (second right after the railroad tracks), and find the park 0.6 miles east. June's food trucks are barbecue, pizza, waffles, ice cream, and of course the beer truck. *Pints* is fun, but the catch could be that it's often so popular that the food trucks run out before the end of the evening. So if *Pints* is your dinner plan, don't dawdle after the Service.
